

FOR IMMEDIATE RELEASE: (date)

Ranch Road gets involved with the local Austin community

Ranch Road Design and Printing, Inc. announces their involvement with quality organizations that make a difference.

AUSTIN, TX, (date)–This friendly design company is making itself known to the community by getting involved with local organizations. By providing a unique array of creative solutions, Ranch Road is becoming not only one of the most sensible places to fulfill your marketing needs, but setting a new and better precedent for the design and marketing world.

Some of Ranch Road's recent and upcoming events include Trudy's Bowl for Kids' Sake, benefiting Big Brothers Big Sisters of Central Texas, The American Heart Association's Heart Ball, Helping Hand Home for Children's Crystal Ball, Busby Foundation's Crawfish Boil, Austin Under 40, The RISE Conference, and Dealing for Duchenne Charity Casino Night.

- Trudy's Bowl for Kids' Sake, benefiting Big Brothers Big Sisters of Central Texas was held February 26-28 at Highland Lanes Austin. Ranch Road donated the design for the event. This year's theme was "Rock Star".
- RISE Conference was held March 1-5 and debuted at the AT&T Conference Center. Ranch Road had a booth at the debut to kick off the event, and attended numerous conferences around Austin to gain experience from others' accomplishments. They also donated their services and served as a sponsor.
- The American Heart Association's Heart Ball was March 6 at The Long Center for Performing Arts. Ranch Road designed the event collateral under the "I Love Austin" concept. The save the date cards, invitations, programs, and RSVP cards were all designed and printed by Ranch Road, as well.
- Helping Hand Home's Crystal Ball was March 6 and was held at the Palmer Events Center. Ranch Road provided the event logo design and custom invitation look. In addition to the design, Ranch Road printed event collateral, including programs, invitations, and auction booklets, all while working with the client to provide the best service possible.
- Austin Under 40 was held March 6 at the AT&T Executive Education and Conference Center. Ranch Road offered their services while working closely with them to print and produce their signage and programs.
- The Busby Foundation's Crawfish Boil will be held April 16 at Stubb's BBQ.

Ranch Road's involvement includes the logo design, sponsor package design and printing, t-shirt designs, poster design and printing, pre-event handbills design and printing, event flyers, and a variety of signage for the event. Ranch Road is also a lead sponsor of the event.

- Dealing for Duchenne Charity Casino Night will be held May 1 at the University of Texas Golf Club and hosted by Texas Football's first couple Sally and Mack Brown. The event is to raise awareness and money for CureDuchenne, an organization that helps find a cure for those affected by Duchenne Muscular Dystrophy. DMD is the most common and lethal genetic disorder for children. It causes young boys to experience progressive weakness as their muscle cells die and never regenerate. Ranch Road created the event logo, along with designing and producing the event collateral. These pieces range from e-blasts, to save the dates, to invitations and signage. Design services were donated to the event.
